

To honor those who lost their lives on 9/11, those who have died fighting since then, and those who continue to fight for our freedom, Soldiers' Angels is hosting a Memorial Relay and Ultra Marathon on September 10-11, 2011. All funds raised from the event will go to the work of Soldiers' Angels in support of military personnel, veterans and military families.

This will be a nighttime run in Olmos Basin Park in San Antonio lasting 9 hours 11 minutes and 01 second, the event includes moments to honor important events in that terrible day for America. Activities and games will also be available as well as a San Antonio-style breakfast.
