Soldiers' Angels Presents

This winter, an estimated 180,000 U.S. military personnel will be serving in Iraq and Afghanistan, in combat environments or in support of combat operations. Some will be on their 3rd or 4th deployments--spending yet another Holiday away from the loving arms of family and friends. We want them to know that they are remembered, that we are thinking of them during the winter Holiday Season, and that we are grateful for their service. Since we can't all wrap our arms around them in person to show how much we love and appreciate them, Soldiers' Angels needs your help to make sure each one of America's heroes is ***Wrapped in Holiday Spirit****. So we ask….*

Can you be there for a Hero this Holiday Season?

To send a Wrapped in Holiday Spirit care package to a deployed service member this Holiday Season please visit us at
