HOSPITALS ARE COLD.
DEPLOYMENTS ARE LONG.

A blanket may seem like a simple gift— but think how much warmth and comfort your favorite blanket provides for you when you are cold or lonely.

Let's share that cozy feeling with veterans and deployed service members!

Soldiers' Angels is collecting NEW blankets of any kind (store-bought, handmade, no-sew, etc.) to distribute to veterans in VA Hospitals and ship to deployed service members.

Twin size is preferred. Be sure to include a personal note of thanks tied or attached to each blanket!

Email InKind@soldiersangels.org for an address to ship your blankets.
