SOLDIERS' ANGELS

ABOUT US

The choice to serve is one of sacrifice. It means complete commitment to something larger than one's self, selflessly bearing the responsibility for the security of everything we hold dear in the United States.

Soldiers' Angels' purpose is to honor that.

Our global network of volunteers — representing all 50 states and 12 countries abroad — work to ensure that those who serve or have served are supported, uplifted, and remembered through a variety of support programs.

Soldiers' Angels

A group of soldiers in a desert environment, with one soldier prominently holding a large American flag. The scene is dimly lit, suggesting dusk or dawn.

OUR MISSION

To provide aid, comfort, and resources to the military, veterans, and their families.

A group of people, including veterans and staff, are smiling together. One man in the foreground is wearing a military cap and glasses. A woman on the right is wearing a "Soldiers' Angels" shirt. The background shows a community-based outpatient clinic.

OUR VISION

To ensure military, wounded military, veterans, and their families have access to needed community resources & support.
