Soldiers' Angels is a national 501(c) 3 nonprofit that provides aid, comfort, and resources to the military, veterans, and their families.

## DEPLOYED SUPPORT

Soldiers' Angels Deployed Support Program volunteers support service members deployed to combat zones around the world. Working virtually, volunteers send care packages, cards, letters, and even homemade baked goods. For many service members, the support provided by Soldiers' Angels volunteers is the only support they receive from home during their deployment.

## VETERAN SUPPORT

Soldiers' Angels is one of the few nonprofit agencies with a voting seat on the Veterans Affairs (VA) National Advisory Council and approval to work within VA Hospitals. Angel volunteers work in VA Hospitals across the country to provide support to veterans of all eras. The program also supports low-income, homeless, and at-risk veterans and their families by providing food assistance, hygiene items, transportation assistance, and other critical needs.

## FAMILY SUPPORT

Touching on some of the more sensitive issues that face military families, Soldiers' Angels Family Support Program ensures that the families have a shoulder to lean on. Angels that volunteer with this program support caregivers of the wounded, provide virtual baby showers for new moms, and comfort the loved ones of a fallen service member.

## WOUNDED SUPPORT

Soldiers' Angels Wounded Support Program provides support to service members being treated at the Landstuhl Regional Medical Center in Germany. In addition, through the Valor IT program, Soldiers' Angels provides voice-activated laptops to wounded heroes recovering from severe injuries.

## IMPACT: MORALE

*"Your team makes everyone's day here better when a package arrives! Living in tents with basic essentials makes everyone really appreciate that people back home haven't forgotten us and are willing to provide comfort." – Kyle*

## IMPACT: SPIRIT

*"This service that you all provide helps keep my children fed and myself from trying to figure out what bills I won't be able to pay so I can feed my children. I'm extremely grateful for the help and I don't know what I would do without it." – Danni*

## IMPACT: LOVE

*"This org is AMAZING! They make caregivers/spouses of our country's heroes feel like what we go through is appreciated. Between the cards we receive from all over the country throughout the year, to the Adopt-A-Family at Christmas, they truly show how they support and care for not only our military personnel but also their families!!!" – Caregiver*

## IMPACT: RECOVERY

*"In 2011, I was wounded in Afghanistan. There's not a lot I remember about my stay in Landstuhl but I do remember the kind words and the great people who went out of their way to make sure I was warm and comfortable and able to talk to my family. I don't recall any names or faces for that matter, but to everyone at Soldiers' Angels, thank you. Thank you for being there for guys who don't know what's coming next for them in a time where nothing makes sense. I still have the blankets that you guys brought me and they will always be a source of comfort to me and my family. Thank you all again for all you did for me and continue to do for my wounded brothers and sisters." – Nick*
