- We are proud to partner with the national program Soldiers' Angels Adopt-A-Family to honor those who defended our nation this holiday season. Through the program, the team at [Organization Name] will have the opportunity to join us as we support Military and Veteran families who could use some help providing the holiday celebration their families deserve. Together, we are helping America show its gratitude for the sacrifices our Service Members and their families are making to defend our great Nation. Learn more about the Adopt-A-Family program by visiting SoldiersAngels.org/Adopt-A-Family. To learn more about how you can get involved, contact [Organization Contact Name / Contact Info].
- Affording holiday gifts for your family can be hard. Doing so on deployment or on a Military or Veteran family budget is even harder. That's why [Organization Name] announced we have joined the Soldiers' Angels Holiday Adopt-A-Family program, matching us with families in need of support this holiday season. Through the Adopt-A-Family program, [Organization Name] will provide our sponsored Military and Veteran families with gifts for their children and grocery cards to help them celebrate the 2023 holiday season.
- Last holiday season, nearly 1,800 Military and Veteran families were supported through the Soldiers' Angels Adopt-A-Family program. This year, through our sponsorship and the support of other organizations and individuals, we hope to show even more families our gratitude. If you know of a Veteran or Military family with children under 18 who are in need of additional support this holiday season, please encourage them to visit SoldiersAngels.org/Adopt-A-Family between Sept. 22 – Dec. 1, 2023, to learn more and apply.
