9 Your registration has been completed, you will receive an email with your username and a link to set up your password.

Click "<https://soldiersangels.my.site.com/s/login/>", to log into your profile once you have set up your password.

Welcome to Soldiers' Angels!

Thank you for registering to volunteer! We're excited to have you join our mission of providing aid, comfort, and support to service members, veterans, and their families.

A Volunteer Coordinator will be in touch soon with your next steps.

In the meantime, you can log in to your Angel Profile anytime to explore opportunities and update your information:

<https://soldiersangels.my.site.com/s/login/>

Welcome aboard, Angel! We can't wait to make a difference together.

Volunteer Verification

11

You still will need to complete the Volunteer Verification, either by making a one-time donation or completing a Social Security Address trace through Verified First.

Volunteer Verification

Becoming a Soldiers' Angels volunteer is a significant commitment to serving our service members, wounded heroes, and veterans. As a volunteer, you will have access to sensitive and personal information entrusted to us by those we serve. We take this trust very seriously, which is why we require various levels of identity verification and background checks based on the access you will have.

To gain basic access to the volunteer portal and many volunteer opportunities, we do require identity verification. We've made this process as easy as possible and offer two options:

1. You can make a donation of any amount to Soldiers' Angels, and if the donation processes correctly, the system will automatically verify your identity, **granting you immediate access to the portal and to begin selecting and participating in opportunities.**
2. Alternatively, you can choose to get verified through a third-party background check company called Verified First. Soldiers' Angels covers the cost of this verification on your behalf. If you select this option, the background check company will email you a form to fill out, which will require your date of birth and Social Security Number. Please note that we never have access to this information; the background check company simply runs the trace and provides us with the green light to approve your access to the portal. **You will be able to log in to the portal immediately, but you will not start seeing opportunities and be able to participate in them until the process Verified First verification process is complete. This could take 24-72 hours.**

Completing this process will grant you access to most virtual volunteer opportunities and many in-person opportunities. However, please be aware that some in-person volunteer opportunities may require additional verification and a full background check. Any such requirements will be disclosed in the volunteer information.

* How would you like to be verified?

- ☐ Make a Donation
- ☐ Use Verified First

Next

12

To verify via one-time donation check "Make a Donation" and then click this link. This will take you to the donation page to submit your information.
